4	Pastor's Comments: <ul style="list-style-type: none"> Budgetary issues, we are doing everything we can but there are some delays in getting funding, It is the parish position that we not have a basketball season this year. This is a decision made with the interest of maintaining everyone's health and protecting our 'bubble' Still delaying onsite parish meetings until at least the spring; can still have meetings outside At this time, Bishop Brennan intends to come here Friday after Easter to perform the Confirmation. There may still be issues with accommodating numbers of people, it will be dependent on the status of the Pandemic at that time. 	Fr. Bob
5	Principal's Report: <ul style="list-style-type: none"> The first week of school after break went well, we are back in full swing Based on STAR reports and observations, it appears the kids are, for the most part, where they are supposed to be. They are still trying to get them outside out recess even if it is cold – want them to have mask breaks and get some fresh air and get some activity. Need to send hats and gloves. We have had 5 student cases the entire school year We are hoping to have vaccines for the teachers by mid-February. Coffee with the Principal is going to be scheduled. 	W. Gruber
